

Project Termination Agreement

Agreement _____ · Date _____

1. Parties

PandaDev ("the Studio", support@pandadevhub.com) and _____ ("the Client", _____) agree to end the agreement named above ("the Agreement") on the terms below.

2. End date

The Agreement ends on _____ ("the End Date"). The Studio stops all work on the End Date, except the handover in section 4.

3. Final account

Item	Amount
Work completed up to the End Date	_____
Less payments already received	_____
Balance due to the Studio / refund due to the Client	_____

The balance is paid within **14 days** of the End Date. Once it is paid, neither party owes the other anything further under the Agreement, except as stated here.

4. Handover

Within **10 business days** after the balance is paid, the Studio delivers to the Client:

- the work completed up to the End Date (source code, designs and files);
- the access details for accounts the Studio created for the Client;
- the latest backup of any hosted data.

The Client becomes the owner of the delivered work on payment, as set out in the Agreement.

5. Hosting and data

Hosted services continue until _____, then are switched off. The Studio deletes the Client's data **30 days** after the handover, unless the Client asks for it to be kept longer (at the monthly plan rate) or the law requires it.

6. Continuing obligations

Confidentiality, ownership and liability terms in the Agreement continue after the End Date.

7. No further claims

Apart from the obligations in this document, both parties release each other from claims under the Agreement for the period up to the End Date.

8. General

This document is governed by the laws of the place where the Studio is registered. Electronic signatures are binding.
