

Portfolio and Testimonial Permission

Agreement _____ · **Date** _____

1. Parties

_____ ("the Client", _____) gives the permissions below to **PandaDev** ("the Studio", support@pandadevhub.com).

2. What the Studio may show

Tick what you agree to:

- ☐ The project's name and a short description
- ☐ Screenshots of the finished website or app
- ☐ A link to the live website or app
- ☐ The Client's company name and logo
- ☐ The testimonial below, with the name and role shown
- ☐ A case study describing the problem, the solution and results (the Client reviews it before publishing)
- ☐ Listing a generic version of the software in the Studio's App Store (without the Client's data, branding or confidential features)

3. Testimonial

" _____
_____ "

Name and role to show: _____

4. Where it may appear

The Studio's website (portfolio, App Store, homepage), its social media, proposals to other clients and its newsletter.

5. Limits

The Studio will never publish the Client's confidential information, personal data of the Client's customers, prices the Client paid, or anything not ticked above.

6. Withdrawing permission

The Client may withdraw any of these permissions at any time by email. The Studio removes the material from its website within **10 business days** and does not use it in new material.
