

Content and Photo Licence Confirmation

Agreement _____ · **Date** _____

1. Parties

_____ ("the Client", _____) gives this confirmation to **PandaDev** ("the Studio", support@pandadevhub.com) for the project named above.

2. Material covered

All text, photos, videos, logos, fonts, music and other files the Client supplies for the project, including files uploaded through the Studio's secure upload page ("the Material").

3. The Client's confirmation

The Client confirms that, for all the Material:

- it owns the rights, or has a licence that allows the Material to be used on its website or app, including online and in the countries where it will be shown;
- recognisable people in photos or videos have agreed to appear;
- the Material does not break anyone's copyright, trademark, privacy or other rights, and is not unlawful or misleading;
- stock images or fonts it supplies are licensed for this use, and it will provide the licence details on request.

4. Licence to the Studio

The Client gives the Studio the right to copy, edit, resize and publish the Material as needed to build, host and support the project.

5. Material sourced by the Studio

If the Studio supplies stock photos, icons or fonts, it uses only material licensed for commercial use and gives the Client the licence details at handover.

6. Problems

If a claim is made that the Material breaks someone's rights, the Studio may remove it, and the Client handles the claim and covers reasonable costs that result from the Material it supplied.
