

Pay-in-Full Addendum

Agreement _____ · **Date** _____

1. Parties

This addendum is between **PandaDev** ("the Studio", support@pandadevhub.com) and _____ ("the Client", _____). It changes only the payment terms of the agreement named above ("the Agreement"). Everything else in the Agreement stays the same.

2. Payment in full

- **Project price in the Agreement:** \$ _____
- **Pay-in-full discount (if any):** _____ % = \$ _____
- **Amount paid in full:** \$ _____, due on signing this addendum.

This replaces the instalment schedule in the Agreement (for example 50% on signing and 50% at launch). Monthly plans, add-ons and approved change orders are not included and are invoiced as set out in the Agreement.

3. If the project stops early

If the project ends before launch, the Studio keeps payment for the work done up to that date (measured against the milestones in the Agreement) and refunds the rest of the amount paid within 30 days. Any discount given in section 2 applies only if the project is completed.

4. Ownership

Ownership of the work passes to the Client as set out in the Agreement once the amount in section 2 is received.

5. Governing law

This addendum is governed by the laws of the place where the Studio is registered. Electronic signatures are binding.
