Agreement _____ · Date _____

1. Parties

This agreement is between **PandaDev** ("the Studio", support@pandadevhub.com) and _____ ("the Client", _____).

2. The plan

- **Plan:** _____ (for example Starter, Professional or Business)
- **Covers:** the hosting, security updates, daily backups, uptime monitoring and support described for this plan on the Pricing page and in the Agreement.
- **Term:** 12 months from _____ to _____.
- **Price for 12 months:** \$ _____ (instead of \$ _____ per month), due on signing.

3. Renewal

Before the term ends, the Studio emails the Client the renewal price at least 30 days ahead. The plan renews only if the Client agrees in writing or pays the renewal. Otherwise it ends on the last day of the term.

4. Ending early

If the Client ends the plan before the term is over (choose one when signing):

- ☐ The unused whole months are refunded, less any discount given for paying yearly.
- ☐ No refund is given for unused months; the service continues until the end of the term.

If the Studio ends the plan without cause, it refunds the unused whole months in full.

5. Changes to the plan

Moving to a higher plan during the term is charged pro rata for the remaining months. Work outside the plan is quoted and approved in writing first.

6. Governing law

This agreement is governed by the laws of the place where the Studio is registered. Electronic signatures are binding.
