Date _____

1. Parties

This agreement is between **PandaDev** ("the Studio", support@pandadevhub.com) and _____ ("the Client", _____).

2. What the Studio does

- **Topic:** _____
- **Sessions:** _____ session(s) of _____ hours, online or in person.
- **Deliverable:** a written summary with the recommended approach, the main features, a rough timeline and a price range, sent within _____ business days of the last session.

3. Fee

- **Fee:** \$_____, due before the first session.
- If the Client signs a project agreement with the Studio within 60 days, this fee is taken off the first payment of that project.

4. What the Client keeps

The Client owns the written summary and may use it with any developer. The Studio may reuse its general know-how, but not the Client's confidential information.

5. Rescheduling and cancelling

A session can be moved once with 24 hours' notice. If the Client cancels before the first session, the fee is refunded in full. After the first session, the fee is not refunded.

6. No guarantee

The summary is the Studio's honest advice based on what the Client shares. Prices and timelines in it are estimates, not a fixed quote.

7. Governing law

This agreement is governed by the laws of the place where the Studio is registered. Electronic signatures are binding.
